ERRATUM

Proc. R. Soc. Lond. A **400**, 219–227 (1985)

A new approach to the crystal engineering of organic compounds: application to a solid-state photoreactive system

BY N. W. THOMAS, S. RAMDAS AND J. M. THOMAS, F.R.S.

On p. 220, line 4 in the Method section:

for $u = -A/r + B \exp(-Cr)$ read $u = -A/r^6 + B \exp(-Cr)$.
